## Education

Rochester Institute of Technology (Rochester, NY)  
Major: Computer Science

Expected graduation: 2019  
Minor: Chinese & Theatre

## Technical Skills

MySQL jQuery HTML git Python  
Java PHP CSS Javascript  
C nginx Swift

## Projects

### FriendlyU, LLC (Website and iPhone app)

- A social network that connects juniors and seniors in high school to college students as they're trying to figure out which school they want to attend 2014 - Present
- Worked heavily with PHP, Swift, Javascript, jQuery, and MySQL

### Pegg (iPhone app)

- A social, photo scavenger hunt app where individuals are challenged to see life through their friend's eyes 2015
- Used PHP to create a JSON API and Swift to make an iOS app

### Theatre Company Website Creator (Website)

- An all inclusive web solution for theatre companies to manage and contact their members 2012
- Used MySQL databases to hold user data and PHP to manipulate the data being retrieved

### Rate My Best Feature (Website)

- A website that allows users to upload photos and have others rate their best feature 2012
- Built a user registration system with PHP and MySQL as well as learned how to handle file uploads and saving to a directory with PHP

## Work Experience

### Hudl (Lincoln, NE)

- Software quality analyst for the mobile team 2015
- Created and executed test plans for iPhone and Android app releases and features
- Worked closely with the mobile development team in creation of new features

### RIT College Activities Board (Rochester, NY)

- Maintaining the admin for event management 2015 - Present
- Ensuring that the publicly available site remains accessible to the RIT community

### Copeland Art & Design (Sharon, MA)

- Rebuilt the firm's website and worked on enhancing my portfolio 2013 - 2015
- Was mentored by the firm's owner in design and professionalism

## Activities

Acting • Singing • Mandarin Chinese • Computer Science House (Social Director)
